

Kendall Young, LNFA

Administrator, TLC West Nursing and Rehabilitation

TLC West Nursing & Rehabilitation provides short-term rehabilitation programs and long-term care, with specialized services for high acuity/complex care including a comprehensive Respiratory Program. Located in Temple, TLC West is part of Caraday Healthcare, a leader in skilled nursing, delivering integrated and coordinated care along the long-term and post-acute care continuum across Texas.

Kendall Young is the administrator at TLC West, responsible for the overall operations and compliance of the community.

One of the aspects of his job that he enjoys the most is helping others and the daily interaction with both residents and staff at TLC West. Kendall is highly motivated to help families as they navigate through the questions and unknown territory when a loved one's health has taken a dramatic change.

Kendall became a licensed administrator in 1992 and has served in that capacity in the Temple area since then. He has also served as Administrator Chair for Texas Healthcare Association.

Kendall married his wife Debbie shortly after college graduation. They have two grown daughters and a granddaughter. Additionally, they have dogs, cats, and cattle. Kendall likes spending time with his family and working on the ranch.
