

# The Caraday Way in Action: Teammates Shout Outs

## The Caraday Way

Our vision, in everything we do, is to convey a shared value of compassion, a commitment to excellence, open communications, motivation to be the best, and a sense of personal integrity.

We are honored to care for our residents and share a passion to make their days enriching and fulfilling. It's **The Caraday Way!**

From the moment anyone – residents, families, or team members – walk through the doors of a Caraday Healthcare community, there is a noticeable and distinct difference. We call it **The Caraday Way**.

Here are just a few examples of how that manifests – in the words of Caraday team members recognizing their peers.

Our dietary manager visits and revisits the residents to make sure they are satisfied with their meals. Our residents at Mineola are very happy with zero complaints in Resident Council about the food!

Our administrator is amazing. There is no department that she doesn't help out. She will be the first one on the floor to help pass trays during breakfast, lunch, or dinner. She is extremely humble and compassionate to all staff. Liz is an awesome leader. She challenges her team. She cares about her staff and it shows in her actions on daily basis.

- **Windcrest**

I appreciate the whole TLC East team. Every single person does what needs to be done to make it great. Everyone has a role and they come to work and give their all everyday.

Our HR Director goes above and beyond. She not only helps our employees but also our residents. She keeps our residents looking nice and helps them with their personal issues. Our employees also benefit from her IT expertise, helping with activities, working in dietary when they are short, filling in vacant shifts when needed. She is the most caring individual I have ever met.

- **Caraday of Corpus Cristi**

Our maintenance director goes above and beyond in his duties. He is always respectful and his work ethic is second to none! It brings peace of mind knowing that our residents' maintenance needs are met so promptly and efficiently. He really is a tremendous asset to this team at Meadow Creek.

- **Meadow Creek**

Our activities directory makes our residents so happy. There is never a dull moment!

- **Hearthstone**

Our awesome CNA takes excellent care of our residents. She is very compassionate and has patience with all the residents even the residents who are not in her direct care.

- **Weston Inn**

That's just a quick snapshot. There are countless other examples every day of team members bringing The Caraday Way to life for their residents and their peers.
