

## Cecila Saucedo, BA, LNFA Administrator, Caraday of Fort Worth

Located in the White Settlement community, Caraday of Fort Worth provides a spectrum of short-term rehabilitation, long-term care, and memory care with advanced capabilities to support the most complex care.

Caraday of Fort Worth is also among the largest respiratory care programs in the area, offering premiere tracheostomy and ventilator care for those suffering from chronic respiratory disorders such as asthma, bronchitis, COPD, or pneumonia.

Cecila has a passion for long-term care, with 43 years providing support for seniors. She started working in skilled nursing facilities when she was just 16 years old as a nursing assistant and a ward clerk.

She has been an administrator since 2003, and she began at Caraday of Fort Worth in February 2023. One of the favorite parts of her job is being part of a team that creates a positive living experience for residents and a positive working environment for the team members.

Cecila has a Bachelor of Business Administration from Texas Wesleyan University, and she is a licensed nursing home administrator.

She is motivated to serve others by the memory of her Mom's voice saying, "do the very best you can do in everything you do, and be grateful."
