

Cielo Quiroga, RN

Director of Nursing, Wurzbach Nursing and Rehabilitation

Along a major medical corridor that includes six hospitals, Wurzbach Nursing & Rehabilitation serves San Antonio with highly skilled and personalized care. Whether recovering from a hospitalization or needing specialized long-term care, a team of healthcare experts and professionals will develop an individualized care plan that guides you to the highest level of function.

Cielo Quiroga is a long-term care nurse with 14 years of experience supporting residents, families, and care teams across the continuum of care. She began her nursing career as an LVN and later earned her RN, building a strong clinical foundation that has evolved into respected leadership at both the facility and regional levels.

Cielo has held key roles including Infection Control Nurse, Staff Development Coordinator, Director of Nursing, and Regional Corporate Compliance Nurse. Across each position, she has been known for her ability to lead through complexity—balancing regulatory requirements with practical, compassionate care delivery.

Her expertise includes regulatory compliance, quality outcomes improvement, and liability assessment and mitigation. She brings strong critical thinking skills, a collaborative leadership style, and a deep commitment to customer service—supporting teams through challenges while keeping resident safety and quality of care at the center of every decision.

At her core, Cielo leads with integrity, compassion, and a commitment to continuous learning. Long-term care is more than her profession—it is her calling. She is driven by the belief that doing the right thing, every day, creates better outcomes for residents, stronger teams, and more resilient organizations.
