

José Ruiz, BA, LNFA

Administrator, Regency Nursing and Rehabilitation

Providing individualized short-term rehabilitation and long-term skilled nursing home care in south Angelo, Regency House is a gracious community that promotes warmth and a sense of family. With its convenient location near medical centers and hospitals, Regency House is in the hub of a healthcare community in south Angelo.

José Ruiz brings a wealth of experience to his role as Regency House Administrator. He has been working in long-term care for 14 years, and he is both a Certified Dementia Practitioner and a Certified Montessori Dementia Care Professional.

Having had the opportunity to grow up in nursing homes alongside his role model administrator mother, José learned at an early age that working in skilled nursing was his calling.

“It’s a privilege to be able to care for our elders and help provide the highest quality of life,” he said.

José was born and raised in West Texas, and in his spare time he enjoys traveling, live music, reading and going to the beach.
