

## LaVonne Clark, LNFA, MHA Administrator, Houston

With its close proximity to area hospitals and medical centers, Caraday of Houston provides compassionate service from short-term rehabilitation to long-term care. Advanced clinical capabilities support the most complex care with around the clock skilled nursing care tailored to individual needs. The highly skilled care team guides residents through a specialized recovery plan designed for each individual with appropriate rehabilitation therapy, care, and attention.

LaVonne Clark is a seasoned healthcare administrator with a proven track record in long-term care. Having relocated from West Palm Beach, Florida, to South Texas in 2019, LaVonne brings a wealth of experience to her role.

LaVonne holds an MHA from Keiser University and is currently pursuing a Doctorate in Health Science. Her academic achievements and leadership qualities have earned her membership in the National Society of Leadership and Success.

Dedicated to improving healthcare accessibility and quality, LaVonne is passionate about educating others on the importance of providing quality care for all. Outside of work, she enjoys dancing and people-watching, and most importantly, spending time with her children and granddaughter.
