

# Meadow Creek Nursing & Rehabilitation

by Caraday Healthcare

*This is the best nursing home in town in my opinion! The care and empathy shown by the staff is amazing. Both of my grandmothers have been residents here and it is by far the best care, not to mention the clean and sparkling floors. Recognized for being the first COVID unit in town when no other nursing home would provide a place for the sick.*

*Residents thrive in the loving, safe, and secure environment with an array of amenities and engaging programs.*

A warm, homelike setting at Meadow Creek Nursing & Rehabilitation welcomes patients who need to recover after hospitalization, as well as those who require long-term care for additional support. Located in the heart of San Angelo, Meadow Creek has an expert team of healthcare professionals and caregivers to provide short-term rehabilitation and skilled long-term care.

The interdisciplinary team at Meadow Creek considers all aspects of a resident's life in developing a care plan that ensures success and the highest quality of life. Among the extra touches that support recovery and daily living are private rooms with full baths, restaurant-style food, and wellness programs designed to fit each individual resident.
