

Park Bend Health Center

by Caraday Healthcare

“ *Park Bend workers are caring, hardworking, loving people. They are always ready to make dad comfortable, provide for his needs and our requests as dad doesn't have a voice. They go above the call of duty to be proactive.*

Residents thrive in the loving, safe, and secure environment with an array of amenities and engaging programs.

Located in the heart of a medical corridor, Park Bend Health Center specializes in transitional care, serving residents who have recently been hospitalized, undergone surgery, or are dealing with a chronic illness. With expert and personalized attention of registered nurses, Park Bend is especially skilled in caring for residents with high acuity needs.

Park Bend's experienced, on-site therapy team offers physical, occupational, and speech therapy to help residents regain lost strength, restore normal ranges of motion, and increase personal independence. The focus is on recovering and returning to daily living as quickly as possible.
