

# Regency House

by Caraday Healthcare

“*Excellent team members! They clearly care about everyone at Regency. It comes for the unique and caring administrator, and director of nursing and assistant directors are all excellent!*”

*Residents thrive in the loving, safe, and secure environment with an array of amenities and engaging programs.*

With its convenient location near medical centers and hospitals, Regency House is in the hub of a healthcare community in south Angelo. Regency House provides individualized short-term rehabilitation and long-term care in a gracious community that promotes warmth and a sense of family.

Along with the medical director and physicians, the team of healthcare experts and professional caregivers work closely with residents and their families to develop individualized care plans to get back to the highest functional level possible. Everyone at Regency House shares the common values of respect and dignity with a holistic approach to every aspect of resident care.
