To Our Residents, Families, and Team Members:

Next week, we will begin holding our first vaccine clinics in several Caraday communities. Caraday is working with CVS Health through the federal government's Pharmacy Partnership for Long-Term Care Program to provide COVID-19 vaccinations for our residents and team members. Senior care residents and workers have been identified as top priorities for receiving access to the vaccine.

The clinics are being scheduled by CVS, who will be administering the Pfizer vaccine. This vaccine is given as two separate doses, 21 days apart. Thus far, the following dates have been confirmed:

December 28

Meadow Creek Nursing & Rehabilitation, 10am-5pm (second clinic on 1/18, third clinic on 2/8)

December 29

Hearthstone Nursing & Rehabilitation, 10am-5pm (second clinic on 1/19, third clinic on 2/9)

Temple Living Center East, 10am - 5pm (second clinic on 1/19, third clinic on 2/9)

December 30

Trinity Care Center, 10am - 5pm (second clinic on 1/20, third clinic on 2/10)

Regency House, 10am - 5pm (second clinic on 1/20, third clinic on 2/10)

Sagebrook Nursing & Rehabilitation, 10am - 4pm (second clinic on 1/20, third clinic on 2/10)

January 4

Weston Inn Nursing & Rehabilitation, 10am - 5pm (second clinic on 2/1, third clinic on 2/22)

January 13

Temple Living Center West, 10am - 5pm (second clinic on 2/3, third clinic on 2/24)

January 14

Western Hills Nursing & Rehabilitation, 10am - 5pm (second clinic on 2/4, third clinic on 2/25)

Windcrest Nursing & Rehabilitation, 10am - 5pm (second clinic on 2/4, third clinic on 2/25)

As updates and additions to the schedule are made, we will share them with you.

To receive the vaccine, a completed consent form is needed. Please [review this form](#) and then [complete and sign this form](#). It can either be brought with you/your loved one on the scheduled day or sent via email ahead of time. For more information about the vaccine, here is a link to [Frequently Asked Questions](#).

We are thrilled that Caraday's vaccination program is off to an early start and excited about the potential to eradicate COVID-19. Thank you so much for the continued support of our residents, families, and team members. If you have any questions, please contact your local Caraday community directly.

Sincerely,
The Caraday Management & Care Team
