by Caraday Healthcare

Named one of
**America's Best
Nursing Homes**
by Newsweek

“ *My Mom and Dad have been at Windcrest for over three years. The staff is always willing to help us. They are very patient and understanding with my parents. I feel as if the staff treats them as they were their own parents. I feel as if my parents are home.*

Residents thrive in the loving, safe, and secure environment with an array of amenities and engaging programs.

Rooted in a mission of caring for the San Antonio community, Windcrest Nursing & Rehabilitation is just minutes away from three major hospitals. Windcrest provides an exemplary spectrum of short-term rehabilitation, long-term care, and memory care with advanced clinical capabilities to support the most complex care.

Individuals with memory impairments such as Alzheimer's and dementia live in a safe environment that encourages independence. Residents have the option to live in all male or all female households.

Windcrest embraces a holistic approach, with care encompassing not only physical needs, but also emotional and spiritual needs. Our full-time life enrichment director provides a wide variety of activities for residents with all levels of physical ability.
